
NBCC 2023 – SPONSORSHIP OPPORTUNITIES

28TH NORDIC-BALTIC CONGRESS OF CARDIOLOGY THE FUTURE OF CARDIOLOGY

June 8 - 10, 2023

Harpa Conference Center
Reykjavík, Iceland

www.nbcc2023.is

SPONSOR & EXHIBITION INVITATION

WELCOME

We are pleased to invite you to participate in the 28th Nordic-Baltic Congress of Cardiology (NBCC2023) in Reykjavík Iceland 8-10th of June 2023. We see the exhibition and sponsorships as an essential part of the congress which will introduce the latest improvements in pharmacological treatment, diagnostic tools and technology.

The main theme of the meeting will be *The Future of Cardiology*, which we plan to explore from various angles to suit general cardiologists and sub-specialists alike, paying special attention to the cardiologists of the future. Scientific sessions will offer a broad selection of state of the art lectures on subjects such as cardiac imaging, cardiomyopathies, genetics, percutaneous valve interventions, diabetes and obesity, lipidology, sleep apnea, sports cardiology, cardiac pacing and monitoring and the "era of gadgets".

This biennial conference is organized by the Icelandic Society of Cardiology, on behalf of the Nordic-Baltic Cardiology Alliance. NBCC2019 in Helsinki gathered 850 professionals with a significant number of international attendees, and we have reasons to believe that the location of the coming conference will positively influence the number of participants.

The congress venue is the prestigious Concert Hall and Conference Centre Harpa which is located in the heart of the city.

Several sponsorship opportunities are available. For more information please visit the website (www.nbcc2023.is) or contact the conference organizer thorunn@atconferences.is. We look forward to welcoming you in Reykjavík in 2023!

On behalf of the NBCC2023 Organizing Committee,

Dr. Med Þórdís J. Hrafnkelsdóttir

President of the Icelandic Society of Cardiology
